(No. 10.)

U. S. Patent Office,

Washington, D. C., Aug. 28, 1874

Sir:

I have to acknowledge the receipt of the model, petition, specification, and drawing of your alleged improvement in Compound Nitrates.

with fifteen dollars as the first fee payable thereon.

The papers are duly filed, and your application for a patent will be taken up for examination in its order ~~*on receipt of the MODEL*~~

Of the result due advice will be given.

Respectfully, &c.,

M. D. Leggett.

Commissioner.

Myron Isaacsbrook
Care Jno. W. Satchen
Edinburg
Saratoga Co. N. Y.

NOTE.—In order to constitute an application for a patent, the inventor is by law required to furnish his petition, specification, drawings (where the nature of the case admits of drawings), or specimens of ingredients and of the composition (where the invention is of a composition of matter), and to pay the required fee.

A MODEL will also be required in all cases which admit of a representation by model.

No application is considered as complete, nor can any official action be had thereon, until all its parts, as here specified, are furnished in due form by the inventor or applicant.

MARCH, 1871.
